IN addition to the question from Exhibit A - from the Direct Service Provider.

*One thing, I need to clarify. Is DPH expecting that ALL Direct Services Providers provide pregnancy tests? **See bold below.***

Thank you!

Pregnancy Support Services means the following:

- (a) **Medical care and information, including but not limited to pregnancy tests, sexually transmitted infection tests, other health screening, ultrasound service, prenatal care, and birth classes and planning;**
- (b) Nutritional services and education;
- (c) Housing, education, and employment assistance during pregnancy and up to one year following a birth;
- (d) Adoption education, planning, and services;
- (e) Child care assistance if necessary for the client to receive pregnancy support services;
- (f) Parenting education and support services for up to one year following a birth;
- (g) Material items which are supportive of pregnancy and childbirth including, but not limited to, cribs, car seats, clothing, formula, or other safety devices; and

(h) Information regarding health care benefits, including but not limited to, available Medicaid coverage for the client for pregnancy care that provides health coverage for the client's child upon his or her birth.

- # Sexually transmitted infection tests
- # Other health screenings
- # Ultrasound services
- # Prenatal care
- # Birthing classes

2. # Nutritional services and education

3. # Housing, education, and employment assistance during pregnancy and up to one year following a birth

4. # Adoption education, planning, and services

-

5. # Child care assistance if necessary for the client to receive pregnancy support services

-

6. # Parenting education and support services for up to one year following a birth

-

7. # Material items which are supportive of pregnancy and childbirth including, but not limited to, cribs, car seats, clothing, formula, or other safety devices

8. Information regarding health care benefits:

- # Medicaid coverage
- # Additional pregnancy related services provided

Transportation:

Can you clarify the transportation reimbursement/expenses allowed?

Sometimes public transit answers the need, sometimes a center would like to pay a driver for rides to/from the clinic/center.

Will this work for reimbursement with the grant money?

Timing:

Did you learn anything about time-line for reimbursements monthly yet?
